The three recipients of the professional development scholarships were featured in the Spring issue of DM LIFE. They are Tena Marie Wilson, Marilyn Bludworth and Matthew Trujillo. We accept applications for professional development year-round, and we plan to give more awards.

In nine years, the Desert Mountain Foundation has awarded $442,710. None of this would be possible without the generous donations and support from the Desert Mountain Club, community, and our corporate sponsors. We are truly making a difference in the lives of the employees and their dependents. Thank you!
