

P-12 Educational Services Fund

It makes sense that, for children to learn at high levels, they must be:

How will your program serve the “whole child?”

For a detailed explanation see Appendix B of the P-12 Guidelines

P-12 Educational Services Fund

Learning is considered to be “experiential” if it contains all of the following elements.

How does your program facilitate “experiential learning” for children?

For detailed information refer to Appendix A of the P-12 Grant Guidelines.
