EMPOWERING WOMEN, BUILDING COMMUNITY, GIVING TOGETHER
DOING MORE, TOGETHER

Giving circles are among the ways that people can become philanthropists. They allow anyone to contribute to a common cause—either as a supporting donor or as an active committee member. Members and supporters contribute to the growth of the fund’s assets with their contributions, increasing the grantmaking capacity of the giving circle over time.

The African-American Women’s Giving and Empowerment Circle was founded in July 2013 to empower women and girls in Arizona and transform lives through the collective investment of time, treasure and talent.
MEMBER BENEFITS AND RESPONSIBILITIES

Members of the African-American Women’s Giving and Empowerment Circle meet monthly to network and share ideas about how to address social issues in our community.

• Members are asked to contribute $1,000 per year, or $83.33 monthly, for a minimum of three years to support the giving circle’s grantmaking.

• Membership is open to all who are selfless, patient, flexible and want to make a difference.

• In addition to contributing funds, members can support the giving circle’s work by being actively involved in the distribution of funds or by serving on committees.
The fund for the African-American Women’s Giving and Empowerment Circle is endowed with the Arizona Community Foundation and benefits from the economy of centralized management and administrative resources, while the giving circle’s members bring knowledge and expertise to address the community’s unique needs.
